KyleAnn Ledebuhr, Chairman
Art at Overlook

Dear KyleAnn,

On behalf of the Carol G. Simon Cancer Center at Overlook Hospital, I want to thank you and Art at Overlook for your support of our reception and celebration to honor our cancer survivors held on June 4, 2011 at the American Cancer Society's "Relay for Life" in Berkeley Heights, NJ.

The reception to honor cancer survivors and their families was beautiful. We had over 190 people in attendance at the survivor celebration. As a result of your support, we were able to provide the participants with both a memorable and enjoyable experience.

The event was a huge success and raised over \$340,000. The community involvement was enormous. This year there were 100 teams that walked the track all night, and many others from the community attended the Relay.

We are all very pleased with the positive response to the program and the awareness that it has raised. The weather held and the spirit of the day/evening/night was infectious. Your valuable contribution made this a special day for our survivors, their families and the community. Again, many thanks.

Sincerely,

Lee Anne Caffrey, RN, MSN, OCN
